

# REFUGEE CAFE @ THE ALBANY

## ANASTASIA'S MENU

Hello! My name is Anastasia and I am new to London – I moved here with my son, husband and dog(!) four months ago from Mariupol, Ukraine. I am so excited to share my favourite Ukrainian dishes with you.

### SIDES

'кабачковий торт' pronounced '*Coba-chkoviy tort*'

#### **Courgette fritters, garlic and dill dressing, tomatoes (ve)**

Often served as a side dish in Ukraine. Courgettes are fried, and layered with tomatoes and dill and garlic mayo.

£3.95

#### **Cheesy mushroom and potato bake (v)**

Although not a traditional Ukrainian dish, Anastasia makes this regularly for her family in colder months.

£4

### MAINS

'куриная отбивная и пюре' pronounced '*Ku-ree-naya ott-beev-naya*'

#### **Chicken escalope, mashed potatoes and sauerkraut**

Tender battered chicken breast served with mash and sauerkraut. Anastasia's son loves this dish.

£7.95

'борщ' pronounced '*Borscht*'

#### **Beetroot soup with toasted bread (v/ve option)**

A favourite lunchtime soup, made with beetroot, potatoes, cabbage, carrots and dill. Usually made with meat, but we've opted for a veggie version.

£4.95

### DESSERT

'Блинный торт' pronounced '*blyee-ni-tort*'

#### **Layered cake with seasonal fruit (v)**

Pancakes layered with mascarpone and lemon cream and fresh fruit from Deptford market.

£3.00

### About Refugee Cafe

We make delicious food with refugees in SE London, providing them with paid roles, training and a path to employment .
